Web Posting

CSTI is looking into the possibility of posting instructor contact information (in the form of phone, e-mail and the county in which you live or work) on the web. In order to do this, CSTI must have written authorization. If you would like to have this information posted on the web for the general public to view, please complete the following:

☐ I give CSTI permission to post the specified phone number, email address and county where I live or work on the web. I understand that this information will be accessed by the general public (please check the appropriate boxes).

- ☐ Work Phone
☐ Home Phone

- ☐ Work E-mail
☐ Home E-mail

☐ Do not publish my information on the web.
